**EUTHANASIA/ASSISTED – DID YOU KNOW?**

Now that Canada has legalized assisted suicide/euthanasia, did you know that doctors in Ontario are forced to provide direct referrals for patients seeking to end their lives? Doctors who object to helping to kill their patients see a direct referral as being an accomplice to assisted suicide. **No foreign jurisdiction** in the world that has legalized euthanasia/assisted suicide **has forced health care workers** or facilities **to act against their conscience.** 8 other provinces in Canada have adopted protocols to protect doctors and institutions. Visit [www.CanadiansforConscience.ca](http://www.CanadiansforConscience.ca) to learn more and to write directly to the Ontario Government.
