GOSPODOV VNEBOHOD - Z vnebohodom se je Jezus vrnil k Očetu. Ali to današnjemu človeku sploh kaj pove? Ali mu ne pomeni samo ločitve? V tem duhu si vnebohod razlaga nekako takole: potem ko je Jezus opravil svojo nalogo, se je vrnil k Očetu in je zdaj daleč proč od problemov modernega sveta in človeka. V resnici je sporočilo praznika drugačno. Misel, da je Jezus na Božji desnici, razodeva, da se sedaj dejavno zavzema za nas pri Očetu in da se je njegova vloga v Cerkvi še bolj utrdila. Kaj je torej vnebohod? Preprosto rečeno: to je tudi za nas nov način življenja, ki nas čaka in ki ga imenujemo nebesa. Morda premalo govorimo o tem; morda o tem slišimo govoriti samo včasih, bolj na splošno. Pa vendar je to naša resničnost, je naše večno življenje. Ne gre za odtujitev, beg v oblake, temveč za resničnost, ki daje smisel življenju in pravo smer vsakdanjemu delu, ljubezni, trpljenju, vsemu človekovemu prizadevanju, starosti in smrti. Naša naloga je oznanjati vsem to veliko krščansko upanje. In to ni nemogoče, ker je Jezus obljubil, da "bo z nami vse dni do konca sveta".

ASCENSION DAY - is one of the earliest Christian festivals dating back to the year 68 CE. According to the New Testament in the Bible, Jesus Christ met several times with his disciples during the 40 days after his resurrection to instruct them on how to carry out his teachings. It is believed that on the 40th day he took them to the Mount of Olives, where they watched as he ascended to heaven. Ascension Day marks the end of the Easter season and occurs ten days before Pentecost. Depending upon the phases of the Moon in a particular year, Ascension Day is usually celebrated on a Thursday. However, some Roman Catholic churches in Canada celebrate it on the following Sunday.

HAPPY MOTHERS DAY

Loving God, thank you for all the mothers in the world. Bless them so that they may always give life and nourishment to their children through their firm faith, generous and selfless love, good example and constant concern for their bodily and spiritual health. Grant that we, their children, may honour them always with a spirit of profound love, respect and thanksgiving. We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love. Through Christ our Lord. Amen.

WORLD COMMUNICATION DAY – Today Catholics are invited to reflect upon the media of social communication (films, radio, television, newspapers, audiovisuals) and how these influence our lives. The media can promote values that lead to a more fully human society. The Church's ministry is twofold. The media can be used to help promote the Gospel.

At the same time, as receivers of the materials presented by the media, the faithful have a duty to support and promote worthwhile presentations on media and reject those which promote values contrary to spiritual growth.

CANADA HEALTH DAY – MAY 12 – Canada Health Day is celebrated in health care facilities and community services across the country. This day reminds us that health and healing are essential aspects of our baptismal vocation. We are called to take responsibility for our personal health: to prevent illness and to seek a healthy lifestyle. Good health concerns the physical, emotional, social and spiritual health of our communities, respect for God's creatures and the nurturing of the whole earth.

OUR LADY OF FATIMA - on May 13, 1917, in Portugal, appeared to three children in a place called Cova da Iria. They saw a beautiful lady made of light, holding a rosary in her hand. Our Lady of Fatima spoke to the children and told them not to be afraid and asked the children if they would pray the rosary and make sacrifice for sinners, and if they would come to this same place on the 13th of each month for five months.
