**** CREATE A CLIMATE OF CHANGE CAMPAIGN** *Our Church knows that **climate change** is an issue of justice!* Pope Francis reminds us of our responsibility to act in his encyclical *Laudato Si: "The pace of consumption, waste and environmental change has so stretched the planet's capacity that our contemporary lifestyle, unsustainable as it is, can only precipitate catastrophes...The effects of this imbalance can only be reduced by our decisive action, here and now!"* There are many ways in which you can contribute by recycling and reducing carbon emissions. Even small changes in your everyday life can make a big difference! The Cardinal has asked all parishes to participate in a national weekend of Action on October 24/25 together with Development and Peace to *Create a Climate of Change*. Read the pamphlet and prayer card included with this bulletin. For this campaign just **sign the Action Card and mail before November 3rd** to our government in Ottawa – **NO POSTAGE NEEDED**. In December, world leaders will be meeting in Paris to negotiate a binding agreement on the world's climate. This Action Card is asking the Prime Minister to sign on an agreement at the United Nations Climate Change Conference (COP21).
