WORLD MISSION SUNDAY is **October 22nd**. Since 1922, the Pontifical Missions Societies through the Society for the Propagation of the Faith has supported the temporal needs of missions as well as creating awareness of the work of the missions throughout the world. Some examples of projects include: building churches, pastoral centers, cathedrals damaged by tsunamis and earthquakes, religious houses of formation, homes for the clergy, catechism and formation programs for lay missionaries, radio and television production, audio visual materials for remote mission areas as well as support of pastoral work in various rural dioceses. The Society for the Propagation of the Faith grew to become the universal fundraising organization for all Catholic missions. For more information, please visit their website at: www.missionsocieties.ca. There will be a collection for World Mission Sunday on October 22. This is a worldwide collection for the missionary church and it is our opportunity to assist at need Catholic communities globally. We are called to share from our abundance with those less fortunate who lack the basic essentials to know, love and praise our God. Thank you for your support of this important work.
